What's Happening @ the Center for Economic Development...

Niagara County has contracted with Borderworx Logistics to operate Foreign Trade Zone #34 in Vantage International Business Park. The reactivation of the FTZ #34 offers new opportunities for our existing business as well as an incentive that will help in attracting new businesses!

In the United States, a foreign-trade zone (FTZ) is a geographical area where commercial merchandise, both domestic and foreign, receives the same Customs treatment it would if it were outside the commerce of the United States.

To learn more about these benefits and how they can be applied, the Niagara County IDA is hosting an FTZ Symposium on January 25, 2017 @ 9:00 a.m., at 6311 Inducon Corporate Dr. Sanborn, NY. To register for this free event please call (716) 278-8760.

Shop Niagara - shop local

Niagara County is calling for its residents to "Shop Niagara"! Niagara County government is projecting \$125 million in sales tax revenue that will be retained locally, according to the Niagara County Office of Management and Budget.

The impact of this money is significant! Sales tax revenues drives down our property taxes and the more we spend locally, the more keep our money local.
