VI. REPRESENTATIONS BY THE APPLICANT

The Applicant understands and agrees with the Agency as follows:

- A. <u>Job Listings:</u> In accordance with Section 858-b(2) of the New York General Municipal Law, the applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the proposed project must be listed with the New York State Department of Labor Community Services Division (the"DOL") and with the administrative entity (collectively with the DOL, the "JTPA Entitle") of the service delivery area created by the federal job training partnership act (Public Law 97-300)("JPTA") in which the project is located.
- B. <u>First Consideration for Employment</u>: In accordance with Section 858-b(2) of the General Municipal Law, the applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, where practicable, the applicant must first consider persons eligible to participate in JTPA programs who shall be referred by the JPTA Entities for new employment opportunities created as a result of the proposed project.
- Compliance with Section 224-a(8)(a) of N.Y Labor Law. The applicant acknowledges receipt of notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law that the estimated mortgage recording tax exemption benefit amount, the estimated sales and use tax exemption benefit amount, and the estimated real property tax abatement benefit amount as so identified within this Application are "public funds" and not otherwise excluded under Section 224-a(3) of the New York Labor Law. You further acknowledge and understand that you have certain obligations as related thereto pursuant to Section 224-a(8)(a) of the New York Labor.
- D. Annual Sales Tax Filings: In accordance with Section 874(8) of the General Municipal Law, the Applicant understands and agrees that, if the proposed project receives any sales tax exemptions as part of the Financial Assistance from the Agency, in accordance with Section 874(8) of the General Municipal Law, the applicant agrees to file, or cause to be filed, with the New York State Department of Taxation and Finance, the annual form prescribed by the Department of Taxation and Finance, describing the value of all sales tax exemptions claimed by the applicant and all consultants or subcontractors retained by the Applicant.
- E. <u>Annual Employment Reports</u>: The applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, the applicant agrees to file, or cause to be filed, with the Agency, on an annual basis, reports regarding the number of people employed at the project site.

- F. <u>Compliance with N.Y. GML Sec. 862(1)</u>: Applicant understands and agrees that the provisions of Section 862(1) of the New York General Municipal Law, as provided below, will not be violated if Financial Assistance is provided for the proposed Project:
 - § 862. Restrictions on funds of the agency. (1) No funds of the agency shall be used in respect of any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, provided, however, that neither restriction shall apply if the agency shall determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry.
- G. Compliance with Applicable Laws: The Applicant confirms and acknowledges that the owner, occupant, or operator receiving Financial Assistance for the proposed Project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.
- H. False and Misleading Information: The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.
- Recapture: Should the Applicant not expend or hire as presented, the Agency may view such information/status as failing to meet the established standards of economic performance. In such events, some or all of the benefits taken by the Applicant will be subject to recapture.
- J. <u>Absence of Conflicts of Interest:</u> The applicant has received from the Agency a list of the members, officers, and employees of the Agency. No member, officers or employee of the Agency has an interest, whether direct or indirect, in any transaction contemplated by this Application, except as herein described.

The Applicant and the individual executing this Application on behalf of applicant acknowledge that the Agency and its counsel will rely on the representations made in this Application when acting hereon and hereby represents that the statements made herein do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein not misleading.

HOLD HARMLESS AGREEMENT

Applicant hereby releases the NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY and the members, officers, servants, agents and employees thereof (the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend and hold the Agency harmless from and against any and all liability arising from or expense incurred by (A) the Agency's examination and processing of, and action pursuant to or upon, the attached Application, regardless of whether or not the Application or the Project described therein or the tax exemptions and other assistance requested therein are favorably acted upon by the Agency, and (B) any further action taken by the Agency with respect to the Project; including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. If, for any reason, the Applicant fails to conclude or consummate necessary negotiations, or fails, within a reasonable or specified period of time, to take reasonable, proper or requested action, or withdraws, abandons, cancels or neglects the Application, or if the Agency or the Applicant are unable to reach final agreement with respect to the Project, then, and in the event, upon presentation of an invoice itemizing the same, the Applicant shall pay to the Agency, its agents or assigns, all out of pocket costs incurred by the Agency in processing of the Application, including reasonable attorneys' fees, if any. Notwithstanding anything contained herein to the contrary, the foregoing indemnities shall not be applicable with respect to misconduct, negligence, or criminal activity on the part of the Agency. It is understood and agreed that the Applicant has the right to join in any defense, and participate in the management of the defense, of any claim for which the Agency seeks indemnification.

In addition to the foregoing, the Applicant understands and acknowledges that (i) this application does not create or give rise to any legal obligations on the part of the Niagara County Industrial Development Agency (the "Agency") or the Applicant except as expressly stated herein, (ii) the terms and conditions governing the award of the financial assistance described herein will be set forth in a separate agreement(s), with the Agency, the form of which will be provided to the Applicant only upon the processing and approval of this application, (iii) the requested financial assistance described in application is based upon the representations made by the Applicant, based upon the Applicant's actual knowledge as of the date of this application, to the Agency, regarding the project, and (iv) that the Agency reserves the right to revise the financial assistance described in this application if any aspect of the project changes after receipt of the application, including changes to the number of jobs, amount of capital investment, or wages, by way of example only. In addition, the Applicant reserves the right to retract, clarify, amend or modify any such representations made prior to (or concurrently with) the submittal of this application to the Agency.

Full Environmental Assessment Form Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Applicant/Sponsor Information.

Name of Action or Project:			
Mixed-Use Redevelopment Project			
Project Location (describe, and attach a general location map):			
235 River Road and 190 Main Street - Approximately 3.10 acre site with frontage on River Rd	., Thompson St. and Main St City	of North Tonawanda	
Brief Description of Proposed Action (include purpose or need):			
The proposed redevelopment project of the approximately 3.1 acres of property comprising the Project Site that has previously been utilized for industrial purposes consists of two buildings as follows: a four-story buildings with 48 apartments and a 4-story/1-story building with 39 apartments and approximately 9,400 sq. of first commercial space and clubhouse/amenity space along with all related improvements including parking spaces, landscaping, lighting and utility improvements and connections (collectively the "Project"). The action includes all proposed site improvements as well as all required discretionary approvals and permits needed for the Project including Amended Site Plan Approval. The Project Site is located in a Brownfield Opportunity Area and is an ideal candidate for the NYS Brownfield Cleanup Program. In addition, the Project Site is located in a Disadvantaged Community, which is a designation ascribed by NYS for the purposed of encouraging investment and economic activity in areas that are negatively impacted by environmental and climate challenges. The City of North Tonawanda has identified the Project Site as the Northern Gateway Redevelopment Project, highlighting the importance of the Project Site's location on the leading edge of downtown North Tonawanda. The propose used is consistent with the North Tonawanda "NT Momentum Master Plan," which calls for a high density commercial and residential use.
